WAVERDALE SEEDS & BULBS (De Mole & Kisch).

NOTE.—We are pleased to announce that owing to our increased stock, we are now able to offer our Dahlia Tubers at reduced prices. We would however advise our customers to book their orders early, as some varieties are still scarce. Our collection is absolutely unique in this country, and our blooms wherever exhibited have created an immense sensation. Certificate of Merit (R.H.S.), Maritzburg and Durban Shows, Autumn, 1922, 1923, 1924 and 1925, and numerous First Prizes for our Dahlia exhibits at these Shows. Holders for 1925 of Maritzburg Horticultural Society's Silver Cup for Dahlias. Special attention is drawn to our **WAVERDALE NOVELTIES**, raised by us and unobtainable elsewhere.

PAEONY DAHLIAS.

The most gorgeous of the Dahlia family. It embraces every shade of rich and delicate colouring, and the enormous blooms, with gracefully twisted broad petals, are a happy contrast to the old form of stiffness. The long upright stem, carrying the blooms well above the foliage, is a distinctive feature of this class, and enhances its value for all decorative and garden purposes. Splendid for massed effect.
